01

# Marcos Rodriguez

## The Weight of Legacy

### Role:

Patriarch of Mirage Investments, devoted father to Maya and Milagros, and a man at the crossroads of ambition and morality.

### Appearance:

60s, Spanish, Marcos carries himself with an air of authority and elegance.

His tall, slightly stooped frame reflects the weight of responsibility he's borne for decades.

His salt-and-pepper hair is meticulously combed back, but deep worry lines on his forehead betray sleepless nights. Often seen in tailored suits, he favors dark tones that exude power but subtly hint at a guarded nature.

# 05

# Lucía Enrique

## The Silent Warrior

### Appearance:

In her mid 50s, Lucía carries herself with elegance and grace. Her striking dark eyes are windows to her unspoken sorrow, though they occasionally light up with warmth when she's with her family.

Her silver-streaked dark hair, often tied in a neat chignon reflects her sophisticated style.

She dresses impeccably, favoring classic pieces that mirror her composed nature— a tailored blazer, a silk scarf, or a string of pearls are her trademarks.
